GOVERNMENT AND GENERAL ORDER

20th September, 1801.

It having been ascertained that a very fine kind of *Fustick* has been found at Hunter's River, no trees of that kind are to be cut down but by a written permission of the Governor.

Every person who has public claims on the Governor or Commissary are to make them on the quarter day, *i.e.* the 30th instant, agreeable to the General Orders of the 14th July, as no attention will be paid to them after that date.

PHILIP GIDLEY KING.
