**Essential Criteria in Assessment**
This course contains compulsory components and assessment items that must be satisfactorily completed in order for a student to receive a pass mark or better for the course. These include three lectures and two tutorials per week as well as two speaking tests, two listening comprehension tests, four written tests and two written assignments. Students must attend all lectures and tutorials and assessments in order to adequately pass the course.

**Studentmail and Blackboard:** Refer - www.blackboard.newcastle.edu.au/
This course uses Blackboard and studentmail to contact students, so you are advised to keep your email accounts within the quota to ensure you receive essential messages. To receive an expedited response to queries, post questions on the Blackboard discussion forum if there is one, or if emailing staff directly use the course code in the subject line of your email. Students are advised to check their studentmail and the course Blackboard site on a weekly basis.

**Written Assignment Presentation and Submission Details**
Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

**Hard Copy Submission**
Type your assignments: All work must be typewritten in 11 or 12 point black font. Leave a wide margin for marker’s comments, use 1.5 or double spacing, and include page numbers.
Word length: The word limit of all assessment items should be strictly followed – 10% above or below is acceptable, otherwise penalties may apply.
Proof read your work because spelling, grammatical and referencing mistakes will be penalised. Staple the pages of your assignment together (do not use pins or paper clips).

University coversheet: All assignments must be submitted with the University coversheet: www.newcastle.edu.au/policy/academic/general/assess_coversheet.pdf

Assignments are to be deposited in the relevant discipline assignment box:
Callaghan students: School of Humanities and Social Science Office, Level 1, McMullin Building, MC127
Do not fax or email assignments: Only hard copies of assignments will be considered for assessment.
Inability to physically submit a hard copy of an assignment by the deadline due to other commitments or distance from campus is an unacceptable excuse. Assignments mailed to Schools are accepted from the date posted.
Keep a copy of all assignments: All assignments are date-stamped upon receipt. However, it is the student’s responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in hard copy and on disk.
Marks may be deducted for late submission of either version.

Penalties for Late Assignments
Assignments submitted after the due date, without an approved extension of time will be penalised by the reduction of 5% of the possible maximum mark for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted more than ten days after the due date will be awarded zero marks.

Special Circumstances
Students wishing to apply for Special Circumstances or Extension of Time should apply online @ http://www.newcastle.edu.au/policylibrary/000641.html

No Assignment Re-submission
Students who have failed an assignment are not permitted to revise and resubmit it in this course. However, students are always welcome to contact their Tutor, Lecturer or Course Coordinator to make a consultation time to receive individual feedback on their assignments.

Remarks
Students can request to have their work re-marked by the Course Coordinator or Discipline Convenor (or their delegate); three outcomes are possible: the same grade, a lower grade, or a higher grade being awarded. Students may also appeal against their final result for a course. Please consult the University policy at: www.newcastle.edu.au/policy/academic/adm_prog/procedures_appeals_finalresult.pdf

Return of Assignments
Where possible, assignments will be marked within 3 weeks and returned to students in class. At the end of semester, students can collect assignments from the Student HUBS during office hours.

Student Representatives
We are very interested in your feedback and suggestions for improvement. Student Representatives are the channel of communication between students and the School Board. Contact details of Student Representatives can be found on the School website.

Student Communication
Students should discuss any course related matters with their Tutor, Lecturer, or Course Coordinator in the first instance and then the relevant Discipline or Program Convenor. If this proves unsatisfactory, they should then contact the Head of School if required. Contact details can be found on the School website.
