Course Content
Course Outline Issued and Correct as at: Week 1, Semester 1 - 2010

CTS Download Date: 28 January 2010
A good short story often reads like a good poem, and is as difficult to write. It requires more concentration and crafting than the novella or novel. There are fewer opportunities for character development, description and plot unfolding. It requires stringent economy with words and taut control of form. Students will learn to write good short stories from studying exemplary practitioners like Anton Chekhov and Raymond Carver. They will learn to shape their work through drafts in workshops and through consultation with the tutor.

Particular attention will be paid to
* The form and structure of the short story
* Narrative strategies such as plot, setting and characterization
* Special skills and techniques of major writers
* Revising and editing

### IMPORTANT UNIVERSITY INFORMATION

### ACADEMIC INTEGRITY

Academic integrity, honesty, and a respect for knowledge, truth and ethical practices are fundamental to the business of the University. These principles are at the core of all academic endeavour in teaching, learning and research. Dishonest practices contravene academic values, compromise the integrity of research and devalue the quality of learning. To preserve the quality of learning for the individual and others, the University may impose severe sanctions on activities that undermine academic integrity. There are two major categories of academic dishonesty:

**Academic fraud** is a form of academic dishonesty that involves making a false representation to gain an unjust advantage. Without limiting the generality of this definition, it can include:

a) falsification of data;
b) using a substitute person to undertake, in full or part, an examination or other assessment item;
c) reusing one’s own work, or part thereof, that has been submitted previously and counted towards another course (without permission);
d) making contact or colluding with another person, contrary to instructions, during an examination or other assessment item;
e) bringing material or device(s) into an examination or other assessment item other than such as may be specified for that assessment item; and
f) making use of computer software or other material and device(s) during an examination or other assessment item other than such as may be specified for that assessment item.
g) contract cheating or having another writer compete for tender to produce an essay or assignment and then submitting the work as one’s own.
**Plagiarism** is the presentation of the thoughts or works of another as one's own. University policy prohibits students plagiarising any material under any circumstances. Without limiting the generality of this definition, it may include:

a) copying or paraphrasing material from any source without due acknowledgment;

b) using another person's ideas without due acknowledgment;

c) collusion or working with others without permission, and presenting the resulting work as though it were completed independently.

**Turnitin** is an electronic text matching system. During assessing any assessment item the University may -

- Reproduce this assessment item and provide a copy to another member of the University; and/or

- Communicate a copy of this assessment item to a text matching service (which may then retain a copy of the item on its database for the purpose of future checking).

- Submit the assessment item to other forms of plagiarism checking

**RE-MARKS AND MODERATIONS**

Students can access the University's policy at: [http://www.newcastle.edu.au/policylibrary/000769.html](http://www.newcastle.edu.au/policylibrary/000769.html)

**MARKS AND GRADES RELEASED DURING TERM**

All marks and grades released during term are indicative only until formally approved by the Head of School.

**SPECIAL CIRCUMSTANCES AFFECTING ASSESSMENT ITEMS**

Extension of Time for Assessment Items, Deferred Assessment and Special Consideration for Assessment Items or Formal Written Examinations items must be submitted by the due date in the Course Outline unless the Course Coordinator approves an extension. Unapproved late submissions will be penalised in line with the University policy specified in Late Penalty (under student) at the link above.

**Requests for Extensions of Time** must be lodged no later than the due date of the item. This applies to students:

- applying for an extension of time for submission of an assessment item on the basis of medical, compassionate, hardship/trauma or unavoidable commitment; or

- whose attendance at or performance in an assessment item or formal written examination has been or will be affected by medical, compassionate, hardship/trauma or unavoidable commitment.

Students must report the circumstances, with supporting documentation, as outlined in the Special Circumstances Affecting Assessment Items Procedure at: [http://www.newcastle.edu.au/policylibrary/000641.html](http://www.newcastle.edu.au/policylibrary/000641.html)

**Note:** different procedures apply for minor and major assessment tasks.

**Students should be aware of the following important deadlines:**

- Special Consideration Requests must be lodged no later than 3 working days after the due date of submission or examination.

- Rescheduling Exam requests must be received no later than 10 working days prior the first date of the examination period.

Late applications may not be accepted. Students who cannot meet the above deadlines due to extenuating circumstances should speak firstly to their Program Officer or their Program Executive if studying in Singapore.

**STUDENTS WITH A DISABILITY OR CHRONIC ILLNESS**
University is committed to providing a range of support services for students with a disability or chronic illness. If you have a disability or chronic illness which you feel may impact on your studies please feel free to discuss your support needs with your lecturer or course coordinator.

Disability Support may also be provided by the Student Support Service (Disability). Students must be registered to receive this type of support. To register contact the Disability Liaison Officer on 02 4921 5766, email at: student-disability@newcastle.edu.au. As some forms of support can take a few weeks to implement it is extremely important that you discuss your needs with your lecturer, course coordinator or Student Support Service staff at the beginning of each semester. For more information on confidentiality and documentation visit the Student Support Service (Disability) website: www.newcastle.edu.au/services/disability.

Important Additional Information

Written Assignment Presentation and Submission Details

Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

**Hard copy submission:**

- **Type your assignments:** All work must be typewritten in 11 or 12 point black font. Leave a wide margin for marker’s comments, use 1.5 or double spacing, and include page numbers.
- **Word length:** The word limit of all assessment items should be strictly followed – 10% above or below is acceptable, otherwise penalties may apply.
- **Proof read your work** because spelling, grammatical and referencing mistakes will be penalised.
- **Staple the pages** of your assignment together (do not use pins or paper clips).
- **University Assessment Item Coversheet:** All assignments must be submitted with the University coversheet available at: [http://www.newcastle.edu.au/study/forms/](http://www.newcastle.edu.au/study/forms/)
- **By arrangement with the relevant lecturer, assignments may be submitted at any Student Hub located at:**
  - Level 3, Shortland Union, Callaghan
  - Level 2, Student Services Centre, Callaghan
  - Ground Floor, University House, City
  - Opposite Café Central, Ourimbah
- **Date-stamping assignments:** All students must date-stamp their own assignments using the machine provided at each Student Hub. If mailing an assignment, this should be address to the relevant School. Mailed assignments are accepted from the date posted, confirmed by a Post Office date-stamp; they are also date-stamped upon receipt by Schools.

NB: Not all of these services may apply to the Port Macquarie Campus.

- **Do not fax or email assignments:** Only hard copies of assignments will be considered for assessment. Inability to physically submit a hard copy of an assignment by the deadline due to other commitments or distance from campus is an unacceptable excuse.
- **Keep a copy of all assignments:** It is the student’s responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in electronic and hard copy formats.

**Online copy submission to Turnitin**

In addition to hard copy submission, students are required to submit an electronic version of the following assignments to Turnitin via the course Blackboard website available @ [www.blackboard.newcastle.edu.au/](http://www.blackboard.newcastle.edu.au/)

- 1500-word critical essay
- 3500-word portfolio

Prior to final submission, all students have the opportunity to submit one draft of their assignment to Turnitin to self-check their referencing. Assignments will not be marked until both hard copy and online versions have been submitted. Marks may be deducted for late submission of either version.

Academic Integrity

Integrity, honesty, and a respect for knowledge and truth are the bases of all academic endeavours.
in teaching, learning and research. To preserve the quality of learning, both for the individual and for others enrolled, the University imposes severe sanctions on activities that undermine academic integrity.

There are two major categories of academic dishonesty:

(a) Academic Fraud, in which a false representation is made to gain an unjust advantage by, for example,
   - the falsification of data
   - reusing one’s own work that has been submitted previously and counted towards another course (without permission)
   - misconduct in Examinations

(b) Plagiarism, which is the presentation of the thoughts or works of another as one’s own. Plagiarism includes
   - copying, paraphrasing, or using someone else’s ideas without appropriate acknowledgement
   - failure to identify direct quotation through the use of quotation marks
   - working with others without permission and presenting the resulting work as though it were completed independently.

Please note that aiding another student to plagiarise (e.g. by lending assignments to other students) is also a violation of the Plagiarism Policy and may invoke a penalty.

For further information on the University policy on plagiarism, please refer to the Policy on Student Academic Integrity at the following link - http://www.newcastle.edu.au/policylibrary/000608.html

Penalties for Late Assignments

Assignments submitted after the due date, without an approved extension of time will be penalised by the reduction of 5% of the possible maximum mark for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted more than ten days after the due date will be awarded zero marks.

Refer - ‘Rules Governing the Administration of Assessment Items - Rule 000113’ available @ http://www.newcastle.edu.au/policylibrary/000113.html (section 18)

Special Circumstances

Students wishing to apply for Special Circumstances or Extension of Time should apply online. Refer - ‘Special Circumstances Affecting Assessment Items - Procedure 000641’ available @ http://www.newcastle.edu.au/policylibrary/000641.html

Assignment Re-submission

In this course students are NOT able to resubmit an assignment that has been graded. In consultation with the course co-ordinator the SACO may direct a student to repeat an assignment.

Re-marks & Moderations

A student may only request a re-mark of an assessment item before the final result - in the course to which the assessment item contributes - has been posted. If a final result in the course has been posted, the student must apply under ‘Procedures for Appeal Against a Final Result’ (Refer - http://www.newcastle.edu.au/study/forms/).

Students concerned at the mark given for an assessment item should first discuss the matter with the Course Coordinator. If subsequently requesting a re-mark, students should be aware that as a result of a re-mark the original mark may be increased or reduced. The case for a re-mark should be outlined in writing and submitted to the Course Coordinator, who determines whether a re-mark should be granted, taking into consideration all of the following:

1. whether the student had discussed the matter with the Course Coordinator
2. the case put forward by the student for a re-mark
3. the weighting of the assessment item and its potential impact on the student’s final mark or grade
4. the time required to undertake the re-mark
5. the number of original markers, that is,
   a) whether there was a single marker, or
   b) if there was more than one marker whether there was agreement or disagreement on the marks awarded.

A re-mark may also be initiated at the request of the Course Coordinator, the Head of School, the School Assessment Committee, the Faculty Progress and Appeals Committee or the Pro Vice-Chancellor. Re-marks may be undertaken by:

1. the original marker; or
2. an alternate internal marker; or
3. an alternate external marker (usually as a consequence of a grievance procedure).

Moderation may be applied when there is a major discrepancy (or perceived discrepancy) between:

1. the content of the course as against the content or nature of the assessment item(s)
2. the content or nature of the assessment item(s) as against those set out in the Course Outline
3. the marks given by a particular examiner and those given by another in the same course
4. the results in a particular course and the results in other courses undertaken by the same students.

For further detail on this University policy refer - ‘Re-marks and Moderations - Procedure 000769’ available @ http://www.newcastle.edu.au/policylibrary/000769.html

Return of Assignments

Students can collect assignments from a nominated Student Hub during office hours. Students will be informed during class which Hub to go to and the earliest date that assignments will be available for collection. Students must present their student identification card to collect their assignment.

Preferred Referencing Style

In this course, it is recommended that you use the the MLA referencing system (similar to the APA system) for referencing sources of information used in assignments. Inadequate or incorrect reference to the work of others may be viewed as plagiarism and result in reduced marks or failure.

An in-text citation names the author of the source, gives the date of publication, and for a direct quote includes a page number, in parentheses. At the end of the paper, a list of references provides publication information about the source; the list is alphabetised by authors' last names (or by titles for works without authors). For further information on referencing and general study skills refer - ‘Infoskills’ available @ www.newcastle.edu.au/services/library/tutorials/infoskills/index.html

Student Representatives

Student Representatives are a major channel of communication between students and the School. Contact details of Student Representatives can be found on School websites.

Refer - ‘Information for Student Representatives on Committees’ available @ http://www.newcastle.edu.au/service/committees/student_reps/index.html

Student Communication

Students should discuss any course related matters with their Tutor, Lecturer, or Course Coordinator in the first instance and then the relevant Discipline or Program Convenor. If this proves unsatisfactory, they should then contact the Head of School if required. Contact details can be found on the School website.
