Plagiarism

University policy prohibits students plagiarising any material under any circumstances. A student plagiarises if he or she presents the thoughts or works of another as one's own. Without limiting the generality of this definition, it may include:

- copying or paraphrasing material from any source without due acknowledgment;
- using another's ideas without due acknowledgment;
- working with others without permission and presenting the resulting work as though it was completed independently.

Plagiarism is not only related to written works, but also to material such as data, images, music, formulae, websites and computer programs.

Aiding another student to plagiarise is also a violation of the Plagiarism Policy and may invoke a penalty.

For further information on the University policy on plagiarism, please refer to the Policy on Student Academic Integrity at the following link -

Students may be required to provide written assessment items in electronic form as well as hard copy.

Extension of Time for Assessment Items, Deferred Assessment and Special Consideration for Assessment Items or Formal Written Examinations

Students are required to submit assessment items by the due date, as advised in the Course Outline, unless the Course Coordinator approves an extension of time for submission of the item. University policy is that an assessment item submitted after the due date, without an approved extension, will be penalised.
Any student:

2. whose attendance at or performance in an assessment item or formal written examination has been or will be affected by medical, compassionate, hardship/trauma or unavoidable commitment;

must report the circumstances, with supporting documentation, to the appropriate officer following the instructions provided in the Special Circumstances Affecting Assessment Procedure - Policy 000641.

Note: different procedures apply for minor and major assessment tasks.

Please go to the Policy at [http://www.newcastle.edu.au/policylibrary/000641.html](http://www.newcastle.edu.au/policylibrary/000641.html) for further information, particularly for information on the options available to you.

- **Requests for Extensions of Time on Assessment Items** must be lodged no later than the due date of the item.

- **Requests for Rescheduling Exams** must be received in the Student Hub no later than ten working days prior the first date of the examination period.

Your application may not be accepted if it is received after the deadline. Students who are unable to meet the above deadlines due to extenuating circumstances should speak to their Program Officer in the first instance.

Important Additional Information

Written Assignment Presentation and Submission Details

Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

Hard copy submission:

- **Type your assignments:** All work must be typewritten in 11 or 12 point black font. Leave a wide margin for marker’s comments, use 1.5 or double spacing, and include page numbers.
- **Word length:** The word limit of all assessment items should be strictly followed – 10% above or below is acceptable, otherwise penalties may apply.
- **Proof read your work** because spelling, grammatical and referencing mistakes will be penalised.
- **Staple the pages** of your assignment together (do not use pins or paper clips).
- **Do not fax or email assignments:** Only hard copies of assignments will be considered for assessment.
- **Keep a copy of all assignments:** It is the student's responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in electronic and hard copy formats.

Penalties for Late Assignments

Assignments submitted after the due date, without an approved extension of time will be penalised by the reduction of 5% of the possible maximum mark for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted more than ten days after the due date will be awarded zero marks.

Refer - ‘Rules Governing the Administration of Assessment Items - Rule 000113’ available @ http://www.newcastle.edu.au/policylibrary/000113.html (section 18)

Special Circumstances

Students wishing to apply for Special Circumstances or Extension of Time should apply online. Refer - ‘Special Circumstances Affecting Assessment Items - Procedure 000641’ available @ http://www.newcastle.edu.au/policylibrary/000641.html

No Assignment Re-submission

Students who have failed an assignment are not permitted to revise and resubmit it in this course. However, students are always welcome to contact their Tutor, Lecturer or Course Coordinator to make a consultation time to receive individual feedback on their assignments.
Re-marks & Moderations

A student may only request a re-mark of an assessment item before the final result - in the course to which the assessment item contributes - has been posted. If a final result in the course has been posted, the student must apply under ‘Procedures for Appeal Against a Final Result’ (Refer - http://www.newcastle.edu.au/study/forms/).

Students concerned at the mark given for an assessment item should first discuss the matter with the Course Coordinator. If subsequently requesting a re-mark, students should be aware that as a result of a re-mark the original mark may be increased or reduced. The case for a re-mark should be outlined in writing and submitted to the Course Coordinator, who determines whether a re-mark should be granted, taking into consideration all of the following:

1. whether the student had discussed the matter with the Course Coordinator
2. the case put forward by the student for a re-mark
3. the weighting of the assessment item and its potential impact on the student’s final mark or grade
4. the time required to undertake the re-mark
5. the number of original markers, that is,
   a) whether there was a single marker, or
   b) if there was more than one marker whether there was agreement or disagreement on the marks awarded.

A re-mark may also be initiated at the request of the Course Coordinator, the Head of School, the School Assessment Committee, the Faculty Progress and Appeals Committee or the Pro Vice-Chancellor. Re-marks may be undertaken by:

1. the original marker; or
2. an alternate internal marker; or
3. an alternate external marker (usually as a consequence of a grievance procedure).

Moderation may be applied when there is a major discrepancy (or perceived discrepancy) between:

1. the content of the course as against the content or nature of the assessment item(s)
2. the content or nature of the assessment item(s) as against those set out in the Course Outline
3. the marks given by a particular examiner and those given by another in the same course
4. the results in a particular course and the results in other courses undertaken by the same students.

For further detail on this University policy refer - ‘Re-marks and Moderations - Procedure 000769’ available @ http://www.newcastle.edu.au/policylibrary/000769.html
