Plagiarism
University policy prohibits students plagiarising any material under any circumstances. A student plagiarises if he or she presents the thoughts or works of another as one's own. Without limiting the generality of this definition, it may include:

- copying or paraphrasing material from any source without due acknowledgment;
- using another's ideas without due acknowledgment;
- working with others without permission and presenting the resulting work as though it was completed independently.

Plagiarism is not only related to written works, but also to material such as data, images, music, formulae, websites and computer programs.

Aiding another student to plagiarise is also a violation of the Plagiarism Policy and may invoke a penalty.

For further information on the University policy on plagiarism, please refer to the
Policy on Student Academic Integrity at the following link -

The University has established a software plagiarism detection system called Turnitin. When you submit assessment items please be aware that for the purpose of assessing any assessment item the University may:

- Reproduce this assessment item and provide a copy to another member of the University; and/or
- Communicate a copy of this assessment item to a plagiarism checking service (which may then retain a copy of the item on its database for the purpose of future plagiarism checking).
- Submit the assessment item to other forms of plagiarism checking

Written Assessment Items

Students may be required to provide written assessment items in electronic form as well as hard copy.

Extension of Time for Assessment Items, Deferred Assessment and Special Consideration for Assessment Items or Formal Written Examinations

Students are required to submit assessment items by the due date, as advised in the Course Outline, unless the Course Coordinator approves an extension of time for submission of the item. University policy is that an assessment item submitted after the due date, without an approved extension, will be penalised.

Any student:

1. who is applying for an extension of time for submission of an assessment item on the basis of medical, compassionate, hardship/trauma or unavoidable commitment; or
2. whose attendance at or performance in an assessment item or formal written examination has been or will be affected by medical, compassionate, hardship/trauma or unavoidable commitment;

must report the circumstances, with supporting documentation, to the appropriate officer following the instructions provided in the Special Circumstances Affecting Assessment Procedure - Policy 000641.

Note: different procedures apply for minor and major assessment tasks.

Please go to the Policy at http://www.newcastle.edu.au/policylibrary/000641.html for further information, particularly for information on the options available to you.

Students should be aware of the following important deadlines:

- **Requests for Special Consideration** must be lodged no later than 3 working days after the date of submission or examination.

- **Requests for Extensions of Time on Assessment Items** must be lodged no later than the due date of the item.
- **Requests for Rescheduling Exams** must be lodged no later than 10 working days before the date of the examination.

Your application may not be accepted if it is received after the deadline. Students who are unable to meet the above deadlines due to extenuating circumstances should speak to their Program Officer in the first instance.

Written Assignment Presentation and Submission Details
Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

Hard copy submission:
- **Proof read your work** because spelling, grammatical and referencing mistakes will be penalised.
- **Staple the pages** of your assignment together (do not use pins or paper clips).
- **Do not send assignments by fax, e-mail or regular mail:** Inability to physically submit a hard copy of an assignment by the deadline due to other commitments or distance from campus is an unacceptable excuse.
- **University Assessment Item Coversheet:** All assignments must be submitted with the University coversheet available at:

--------------------------------
End of CTS Entry -----------------------------------
By arrangement with the relevant lecturer, assignments may be submitted at any Student Hub located at:
- Level 3, Shortland Union, Callaghan
- Level 2, Student Services Centre, Callaghan
- Ground Floor, University House, City
- Ground Floor, Administration Building, Ourimbah

Date-stamping assignments: All students must date-stamp their own assignments using the machine provided at each Student Hub.

Do not fax or email assignments: Only hard copies of assignments will be considered for assessment. Inability to physically submit a hard copy of an assignment by the deadline due to other commitments or distance from campus is an unacceptable excuse.

Keep a copy of all assignments: It is the student’s responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in electronic and hard copy formats.

Online copy submission to Turnitin
- Turnitin does not apply to assignments from this course.

Penalties for Late Assignments
Assignments submitted after the due date, without an approved extension of time will be penalised by the reduction of 5% of the possible maximum mark for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted more than ten days after the due date will be awarded zero marks.

Special Circumstances
Students wishing to apply for Special Circumstances or Extension of Time should apply online @ http://www.newcastle.edu.au/policylibrary/000641.html

No Assignment Re-submission
Students who have failed an assignment are not permitted to revise and resubmit it in this course. However, students are always welcome to contact their Tutor, Lecturer or Course Coordinator to make a consultation time to receive individual feedback on their assignments.

Remarks
Students can request to have their work re-marked by the Course Coordinator or Discipline Convenor (or their delegate); three outcomes are possible: the same grade, a lower grade, or a higher grade being awarded. Students may also appeal against their final result for a course. Please consult the University policy at: http://www.newcastle.edu.au/study/forms/

Return of Assignments
Students can collect assignments from a nominated Student Hub during office hours. Students will be informed during class which Hub to go to and the earliest date that assignments will be available for collection. Students must present their student identification card to collect their assignment.

Preferred Referencing Style
In this course, it is recommended that you use the Harvard in-text referencing system (similar to the APA system) for referencing sources of information used in assignments. Inadequate or incorrect reference to the work of others may be viewed as plagiarism and result in reduced marks or failure.
An in-text citation names the author of the source, gives the date of publication, and for a direct quote includes a page number, in parentheses. At the end of the paper, a list of references provides publication information about the source; the list is alphabetised by authors' last names (or by titles for works without authors). Further information on referencing and general study skills can be obtained from:

- Infoskills:
