Eversleigh Station

Meteorological Observing Book

For the Year 1905.
Corrections.

wet + 0.3
dry 0.0
1792 max wet cent had from 4th Jul 1904
min - 0.1
Bar. - 0.004

It has been found that in many cases the Observing Books would be more useful if retained at the local office. Local information could then be given at once, instead of sending to Sydney for it. Hence it is requested that the Observer will hereafter carefully preserve these books in his office for future reference.
