

Eversleigh Station.

METEOROLOGICAL OBSERVING BOOK
For the Year 1905.

44909

Corrections.

wet	+ 0.3
dry	0.0
1792 max	not sent - had from + Nuk 1904.
min	- 0.1
Bar.	- 0.004

It has been found that in many cases the Observing Books would be more useful if retained at the local office. Local information could then be given at once, instead of sending to Syaney for it. Hence it is requested that the Observer will hereafter carefully preserve these books in his office for future reference.
