SPTH4090 – Clinical Practice 2

Course Overview

Course Co-ordinator: Dr Sally Hewat
Room: GPG-28
Ph: +61 2 4921 5159
Fax: +61 2 4921 7386
Email: Sally.Hewat@newcastle.edu.au
Consultation hours: Tuesday & Wednesday NO appointment necessary
Monday, Thursday & Friday by appointment ONLY

Semester Semester 1 & 2 - 2007
Unit Weighting 10
Teaching Methods Field Study

Brief Course Description
Students undertake supervised face-to-face clinical experience with a particular speech and language disordered caseload, i.e. across one or more of the range indicators of speech, language, voice, fluency and swallowing, with either or both child and adult populations. The clinical placements are usually in speech pathology services provided in community or hospital settings, and involve full day attendance (8.30am - 5pm), on a one day per week basis over the semester.

Contact Hours
Clinical for 7 Hours per Week for the Full Term

Learning Materials/Texts

Course Objectives
Upon successful completion of this course, students will:
1. Demonstrate levels of clinical competence as required to meet the Competency Based Occupational Standards for Speech Pathologists.
2. Experience (directly or indirectly) clinical management of the range of speech, language, voice, fluency, or swallowing disorders in children and adults.
3. Communicate their clinical experience and competence verbally and in writing in a professional and ethical manner.

Course Outline Issued and Correct as at: Week 1, Semester 1 - 2007
CTS Download Date: 6th February, 2007
4. Demonstrate professional and ethical behaviour appropriate to the policies and procedures of the clinical placement setting.

Course Content
This course provides clinical practice experience with paediatric, adult or mixed caseloads. The student is supervised by a qualified speech pathologist. The student has the opportunity to observe and work directly with caseloads comprising a range of communication and swallowing impairments. Students will be involved with the planning and delivery of services for assessment and treatment of individual cases, as well as having the opportunity to participate in a range of service delivery/caseload management models.

Plagiarism

University policy prohibits students plagiarising any material under any circumstances. A student plagiarises if he or she presents the thoughts or works of another as one’s own. Without limiting the generality of this definition, it may include:

- copying or paraphrasing material from any source without due acknowledgment;
- using another’s ideas without due acknowledgment;
- working with others without permission and presenting the resulting work as though it was completed independently.

Plagiarism is not only related to written works, but also to material such as data, images, music, formulae, websites and computer programs.

Aiding another student to plagiarise is also a violation of the Plagiarism Policy and may invoke a penalty.

For further information on the University policy on plagiarism, please refer to the Policy on Student Academic Integrity at the following link -

The University has established a software plagiarism detection system called Turnitin. When you submit assessment items please be aware that for the purpose of assessing any assessment item the University may -

- Reproduce this assessment item and provide a copy to another member of the University; and/or
- Communicate a copy of this assessment item to a plagiarism checking service (which may then retain a copy of the item on its database for the purpose of future plagiarism checking).
- Submit the assessment item to other forms of plagiarism checking

Written Assessment Items

Students may be required to provide written assessment items in electronic form as well as hard copy.

Extension of Time for Assessment Items, Deferred Assessment and Special Consideration for Assessment Items or Formal Written Examinations

Students are required to submit assessment items by the due date, as advised in the Course Outline, unless the Course Coordinator approves an extension of time for submission of the item. University policy is that an assessment item submitted after the due date, without an approved extension, will be penalised.

Any student:

1. who is applying for an extension of time for submission of an assessment item on the basis of medical, compassionate, hardship/trauma or unavoidable commitment; or
2. whose attendance at or performance in an assessment item or formal written
examination has been or will be affected by medical, compassionate, hardship/trauma or unavoidable commitment;

must report the circumstances, with supporting documentation, to the appropriate officer following the instructions provided in the Special Circumstances Affecting Assessment Procedure - Policy 000641.

Note: different procedures apply for minor and major assessment tasks.

Please go to the Policy at http://www.newcastle.edu.au/policylibrary/000641.html for further information, particularly for information on the options available to you.

Students should be aware of the following important deadlines:

- **Requests for Special Consideration** must be lodged no later than 3 working days after the date of submission or examination.

- **Requests for Extensions of Time on Assessment Items** must be lodged no later than the due date of the item.

- **Requests for Rescheduling Exams** must be lodged no later than 10 working days before the date of the examination.

Your application may not be accepted if it is received after the deadline. Students who are unable to meet the above deadlines due to extenuating circumstances should speak to their Program Officer in the first instance.

**Changing your Enrolment**

The last dates to withdraw without financial or academic penalty (called the HECS Census Dates) are:

For semester 1 courses: 31 March 2007

For semester 2 courses: 31 August 2007

For Trimester 1 courses: 16 February 2007

For Trimester 2 courses: 8 June 2007

Students may withdraw from a course without academic penalty on or before the last day of semester. Any withdrawal from a course after the last day of semester will result in a fail grade.

Students cannot enrol in a new course after the second week of semester/trimester, except under exceptional circumstances. Any application to add a course after the second week of semester/trimester must be on the appropriate form, and should be discussed with staff in the Student Hubs.

To change your enrolment online, please refer to

http://www.newcastle.edu.au/study/enrolment/changingenrolment.html

**Faculty Information**

The Student Hubs are a one-stop shop for the delivery of student related services and are the first point of contact for students on campus.
The four Student Hubs are located at:

**Callaghan campus**
- Shortland Hub: Level 3, Shortland Union Building
- Hunter Hub: Student Services Centre, Hunter side of campus

**City Precinct**
- City Hub & Information Common: University House, ground floor in combination with an Information Common for the City Precinct

**Ourimbah campus**
- Ourimbah Hub: Administration Building

**Faculty websites**

- Faculty of Business and Law
- Faculty of Education and Arts
- Faculty of Engineering and Built Environment
- Faculty of Health
- Faculty of Science and Information Technology

**Contact details**

**Callaghan, City and Port Macquarie**
Phone: 02 4921 5000

**Email:** EnquiryCentre@newcastle.edu.au

**Ourimbah**
Phone: 02 4348 4030

**Email:** EnquiryCentre@newcastle.edu.au

**The Dean of Students**
Resolution Precinct
Phone: 02 4921 5806
Fax: 02 4921 7151
**Email:** resolutionprecinct@newcastle.edu.au
Various services are offered by the University Student Support Unit: [http://www.newcastle.edu.au/study/studentsupport/index.html](http://www.newcastle.edu.au/study/studentsupport/index.html)

**Alteration of this Course Outline**

No change to this course outline will be permitted after the end of the second week of the term except in exceptional circumstances and with Head of School approval. Students will be notified in advance of any approved changes to this outline.

**Web Address for Rules Governing Undergraduate Academic Awards**

**Web Address for Rules Governing Postgraduate Academic Awards**

**Web Address for Rules Governing Professional Doctorate Awards**

**STUDENTS WITH A DISABILITY OR CHRONIC ILLNESS**

The University is committed to providing a range of support services for students with a disability or chronic illness.

If you have a disability or chronic illness which you feel may impact on your studies, please feel free to discuss your support needs with your lecturer or course coordinator.

Disability Support may also be provided by the Student Support Service (Disability). Students must be registered to receive this type of support. To register please contact the Disability Liaison Officer on 02 4921 5766, or via email at: student-disability@newcastle.edu.au

As some forms of support can take a few weeks to implement it is extremely important that you discuss your needs with your lecturer, course coordinator or Student Support Service staff at the beginning of each semester.

For more information related to confidentiality and documentation please visit the Student Support Service (Disability) website at: [www.newcastle.edu.au/services/disability](http://www.newcastle.edu.au/services/disability)

--------------------------------------------- **End of CTS Entry** ---------------------------------------------
Withdrawal from a Course Containing a Placement

This course contains a professional experience placement, so the official withdrawal policy is different to other University courses. In this course, students may withdraw without academic penalty one week or more before the placement is due to begin. In other words, the official final date for withdrawal is one week prior to commencement of the placement. This will allow prior notice to be given to the institution offering the placement of any student’s intention to withdraw from the placement, and may allow the place to be re-allocated.

Withdrawal after the official date will usually result in an "F" grade. If there are special circumstances, students may apply to the Head of School for permission to withdraw from the course, after the official final date, without academic penalty. Permission to withdraw will not normally be given to students who have begun the placement and been placed "at risk" or advised that they are likely to fail.

Mandatory Program Component

This course is a Mandatory Program Component.

Before commencing the professional experience placement, students in this course must hold a current child protection certificate; have signed a Prohibited Employment Declaration; and a Confidentiality statement; have undergone a Criminal Record Check; must have a completed NSW Department of Health Immunisation Status Record Card and must hold a current First Aid Certificate.

Essential Criteria in Assessment

This course contains compulsory components or assessment items that must be satisfactorily completed in order for a student to receive a pass mark or better for the course. These essential elements are described in the CTS.

Pass/Fail Requirement: A completed competency-based assessment booklet (COMPASS™) must be submitted to the course co-ordinator within 2 weeks of completing a professional experience placement. A photocopy of the assessment should be kept by the student and placed in their Passport to Clinical Experience folder. The assessment must indicate that the student’s overall performance at the end of the placement is satisfactory to pass.

Ungraded requirements: (1) A record of supervised direct and indirect clinical hours across the range indicators (Record of Range of Experience form) must be submitted to the Course Co-ordinator within 2 weeks of completing a professional experience placement. A photocopy of the form should be kept by the student and placed in their Passport to Clinical Experience folder.

(2) An Additional Clinical Experience form must be completed, signed and submitted to the course co-ordinator within 1 weeks of completing an observation visit. A photocopy of the form should be kept by the student and placed in their Passport to Clinical Experience folder.

See end of this course outline for further information.

Studentmail and Blackboard: www.blackboard.newcastle.edu.au/

This course uses Blackboard and studentmail to contact students, so you are advised to keep your email accounts within the quota to ensure you receive essential
messages. To receive an expedited response to queries, post questions on the Blackboard discussion forum if there is one, or if emailing staff directly use the course code in the subject line of your email. Students are advised to check their studentmail and the course Blackboard site on a weekly basis.

Written Assignment Presentation and Submission Details
Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

Hard copy submission:
- **Type your assignments**: All work must be typewritten in 11 or 12 point black font. Leave a wide margin for marker’s comments, use 1.5 or double spacing, and include page numbers.
- **Word length**: The word limit of all assessment items should be strictly followed – 10% above or below is acceptable, otherwise penalties may apply.
- **Proof read your work** because spelling, grammatical and referencing mistakes will be penalised.
- **Staple the pages** of your assignment together (do not use pins or paper clips).
- **University Assessment Item Coversheet**: All assignments must be submitted with the University coversheet available at: [http://www.newcastle.edu.au/study/forms/](http://www.newcastle.edu.au/study/forms/)
- **All Assessment Forms** are to be submitted to my attention at the Student Hub located at Level 3, Shortland Union, Callaghan.
- **Date-stamping assignments**: All students must date-stamp their own assignments using the machine provided at the Student Hub. If mailing an assignment, this should be address to the relevant School. Mailed assignments are accepted from the date posted, confirmed by a Post Office date-stamp; they are also date-stamped upon receipt by Schools.
- **Do not fax or email assignments**: Only hard copies of assignments will be considered for assessment. Inability to physically submit a hard copy of an assignment by the deadline due to other commitments or distance from campus is an unacceptable excuse.
- **Keep a copy of all assignments**: It is the student’s responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in electronic and hard copy formats.

Online copy submission to Turnitin
No assignments are required to be submitted through Turnitin for this course.

Penalties for Late Assignments
Assignments submitted after the due date, without an approved extension of time will be penalised by the **reduction of 5% of the possible maximum mark** for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted **more than ten days** after the due date will be awarded **zero marks**.

Special Circumstances
Students wishing to apply for Special Circumstances or Extension of Time should apply online @ [http://www.newcastle.edu.au/policylibrary/000641.html](http://www.newcastle.edu.au/policylibrary/000641.html)

No Assignment Re-submission
Students who have failed an assignment are not permitted to revise and resubmit it in this course. However, students are always welcome to contact their Tutor, Lecturer or Course Coordinator to make a consultation time to receive individual feedback on their assignments.
Re-marks & Moderations
A student may only request a re-mark of an assessment item before the final result – in the course to which the assessment item contributes – has been posted. If a final result in the course has been posted, the student must apply under the Procedures for Appeal against a Final Result (see: http://www.newcastle.edu.au/study/forms/).

Students concerned at the mark given for an assessment item should first discuss the matter with the Course Coordinator. If subsequently requesting a re-mark, students should be aware that as a result of a re-mark the original mark may be increased or reduced. The case for a re-mark should be outlined in writing and submitted to the Course Coordinator, who determines whether a re-mark should be granted, taking into consideration all of the following:

1. whether the student had discussed the matter with the Course Coordinator
2. the case put forward by the student for a re-mark
3. the weighting of the assessment item and its potential impact on the student’s final mark or grade
4. the time required to undertake the re-mark
5. the number of original markers, that is,
   a) whether there was a single marker, or
   b) if there was more than one marker whether there was agreement or disagreement on the marks awarded.

A re-mark may also be initiated at the request of the Course Coordinator, the Head of School, the School Assessment Committee, the Faculty Progress and Appeals Committee or the Pro Vice-Chancellor. Re-marks may be undertaken by:

1. the original marker; or
2. an alternate internal marker; or
3. an alternate external marker (usually as a consequence of a grievance procedure).

Moderation may be applied when there is a major discrepancy (or perceived discrepancy) between:

1. the content of the course as against the content or nature of the assessment item(s)
2. the content or nature of the assessment item(s) as against those set out in the Course Outline
3. the marks given by a particular examiner and those given by another in the same course
4. the results in a particular course and the results in other courses undertaken by the same students.

Further detail on this University policy can be found at:

Return of Assignments
Students can collect assignments from the Student Hub located Level 3, Shortland Union during office hours. Students will be informed during class the earliest date that assignments will be available for collection. Students must present their student identification card to collect their assignment.

Preferred Referencing Style
In this course, it is recommended that you use the APA referencing system for referencing sources of information used in assignments. Inadequate or incorrect
reference to the work of others may be viewed as plagiarism and result in reduced marks or failure.

An in-text citation names the author of the source, gives the date of publication, and for a direct quote includes a page number, in parentheses. At the end of the paper, a list of references provides publication information about the source; the list is alphabetised by authors’ last names (or by titles for works without authors). Further information on referencing and general study skills can be obtained from:

**Student Representatives**

Student Representatives are a major channel of communication between students and the School. Contact details of Student Representatives can be found on School websites.

**Student Communication**

Students should discuss any course related matters with their Tutor, Lecturer, or Course Coordinator in the first instance and then the relevant Discipline or Program Convenor. If this proves unsatisfactory, they should then contact the Head of School if required. Contact details can be found on the School website.

**Essential Online Information for Students**

Information on Class and Exam Timetables, Tutorial Online Registration, Learning Support, Campus Maps, Careers information, Counselling, the Health Service and a range of free Student Support Services can be found at:

Clinic Placements:

Up to 5 days per week, as allocated*

Hours as required by individual clinics, usually between 8.00am and 5pm

*Depending of availability, clinical placements may be scheduled for any time period between January and June (for Semester 1), or between July and December (for Semester 2).

The site of delivery will vary depending on the sites of available clinical placements. For SPTH4090, clinical placements are usually situated in rural NSW or the Sydney metropolitan area, or within speech pathology services provided by other agencies (e.g. NSW Department of Health, Department of Ageing, Disability & Home Care). Students who have specific needs which preclude such placements need to discuss this with the Clinical Education Co-ordinator prior to enrolling in the course.
Tutorial support is provided by telephone, email and blackboard.

**Expectations**

The objective of the fourth year clinical program is to enable students to develop and consolidate their clinical competence through an intensive clinical experience, and to gain a realistic view of a speech pathologist’s workload and responsibilities.

By fourth year, undergraduates will have had experience with both adult and paediatric caseloads, and with disorders of varying aetiology and complexity. The *actual* range of experience and clinical competence brought to this extended placement will however vary among students. We expect students to be working with increasing independence and *interdependence* in their ability to manage their allotted cases and caseload.

**Caseload**

The size of a student’s caseload will of course vary according to the availability of clients and complexity of cases, as well as their own level of clinical competence. It is anticipated that fourth year students will be capable of taking responsibility gradually over the course of the placement for a full caseload (after a period of initial orientation).

**Level of supervision**

As fourth year students undertake an extended clinical placement, their level of independence and clinical competence will be expected to increase significantly as part of the consolidating experience. Regardless of their increasing level of competence, they will require ongoing supervision in particular situations, e.g. bedside evaluation of dysphagia. The actual giving of food/fluids should be supervised and recommendations for management should be checked to ensure compliance with medico-legal responsibilities as stated in CBOS.

**Required Reading:**

**Recommended Texts:**

**Leith, W.** (1993). *Clinical methods in communication disorders.* Austin, TX: Pro-Ed.

* You will be provided with a copy of the assessment booklet to be completed for all your placements. A PDF copy of the COMPASS™ Assessment booklet is located on SPTH4080/SPTH4090 blackboard site.

** A copy of the Record of Range of Experience and guidelines for calculating hours is located within the Speech Pathology Passport to Clinical Practice.

*** A copy of the Record of Additional Experience is located within the Speech Pathology Passport to Clinical Practice.

*Note:* The minimum requirement for students to pass their final clinical practice subject in the Bachelor of Speech Pathology (i.e. either SPTH4080 or SPTH4090) is that their cumulative Record of Range of Experience over the degree documents indirect and/or direct experience for each range indicator in all units of expected competency (CBOS, Units 1 to 4), and for at least one range indicator for all units where supervision may still be required upon graduation (CBOS, Units 5 to 7). Students who have not attained the full range of experience by the end of the semester will need additional placements.

*Students should check their Range of Experience requirements and discuss these as soon as possible with the Clinical Education Co-ordinator.*
