Plagiarism
University policy prohibits students plagiarising any material under any circumstances. A student plagiarises if he or she presents the thoughts or works of another as one's own. Without limiting the generality of this definition, it may include:

__________________________
School of Humanities & Social Science
· copying or paraphrasing material from any source without due acknowledgment;
· using another's ideas without due acknowledgment;
· working with others without permission and presenting the resulting work as though it was completed independently.

Plagiarism is not only related to written works, but also to material such as data, images, music, formulae, websites and computer programs.

Aiding another student to plagiarise is also a violation of the Student Academic Integrity Policy and may invoke a penalty.

For further information on the University policy on plagiarism, please refer to the Policy on Student Academic Integrity at the following link -

The University uses an electronic text matching system called Turnitin. When you submit assessment items please be aware that for the purpose of assessing any assessment item the University may -
· Reproduce this assessment item and provide a copy to another member of the University; and/or
· Communicate a copy of this assessment item to a text matching service (which may then retain a copy of the item on its database for the purpose of future checking).
· Submit the assessment item to other forms of plagiarism checking

Written Assessment Items
Students may be required to provide written assessment items in electronic form as well as hard copy.

Written Assignment Presentation and Submission Details

Students are required to submit assessment items by the due date. Late assignments will be subject to the penalties described below.

Hard copy submission – APPLIES TO FINAL ASSIGNMENT DUE Tuesday 9th June, 2009

- **Type your assignments:** All work must be typewritten in 11 or 12 point black font. Leave a wide margin for marker’s comments, use 1.5 or double spacing, and include page numbers.
- **Word length:** The word limit of all assessment items should be strictly followed – 10% above or below is acceptable, otherwise penalties may apply.
- **Proof read your work** because spelling, grammatical and referencing mistakes will be penalised.
- **Staple the pages** of your assignment together (do not use pins or paper clips).
- **University Assessment Item Coversheet:** All assignments must be submitted with the University coversheet available at: [http://www.newcastle.edu.au/study/forms/](http://www.newcastle.edu.au/study/forms/)
- **Assignments should be submitted to the Student Hub located at:**
  - Level 3, Shortland Union, Callaghan

- **Date-stamping assignments:** All students must date-stamp their own assignments using the machine provided at each Student Hub. Mailed assignments are accepted from the date posted, confirmed by a Post Office date-stamp; they are also date-stamped upon receipt by Schools.
- **Keep a copy of all assignments:** It is the student’s responsibility to produce a copy of their work if the assignment goes astray after submission. Students are advised to keep updated back-ups in electronic and hard copy formats.

Online copy submission to Turnitin

In addition to hard copy submission, students are required to submit an electronic version of the following assignments to Turnitin via the course Blackboard website available @ [www.blackboard.newcastle.edu.au/](http://www.blackboard.newcastle.edu.au/)

<table>
<thead>
<tr>
<th>Essays / Written Assignments</th>
<th>Assignment - 5,000 words Written research review &amp; final proposal 45% W14</th>
</tr>
</thead>
</table>

Prior to final submission, all students have the opportunity to submit one draft of their assignment to Turnitin to self-check their referencing. Assignments will not be marked until both hard copy and online versions have been submitted. Marks may be deducted for late submission of either version.

Electronic submission – via DIGITAL DROP BOX ON BLACKBOARD

Use the Digital Drop Box to submit electronic copies of:

<table>
<thead>
<tr>
<th>Essays / Written Assignments</th>
<th>Draft 1 - 500 words Written (preliminary) research proposal 10% W6</th>
</tr>
</thead>
<tbody>
<tr>
<td>Essays / Written Assignments</td>
<td>Draft 2 - 1,500 words Preliminary literature review 20% W10</td>
</tr>
</tbody>
</table>

To find the Digital Drop Box, go to the ‘Course Tools’ on the left hand menu when you first enter the course BB site. Once you've selected it, you can upload by ‘adding file’, but it won't end up in the lecturer’s box till you click ‘send file’.

These assignments will be marked, with feedback provided on the electronic copy. Once marked they will be returned to your Digital Drop Box.

School of Humanities & Social Science
Penalties for Late Assignments

Assignments submitted after the due date, without an approved extension of time will be penalised by the reduction of 5% of the possible maximum mark for the assessment item for each day or part day that the item is late. Weekends count as one day in determining the penalty. Assessment items submitted more than ten days after the due date will be awarded zero marks.

Refer - ‘Rules Governing the Administration of Assessment Items - Rule 000113’ available @ http://www.newcastle.edu.au/policylibrary/000113.html (section 18)

Special Circumstances

Students wishing to apply for Special Circumstances or Extension of Time should apply online. Refer - ‘Special Circumstances Affecting Assessment Items - Procedure 000641’ available @ http://www.newcastle.edu.au/policylibrary/000641.html

Assignment Re-submission

Students who have failed an assignment which is required to establish clinical competency are permitted to revise and resubmit it in this course. Students are always welcome to contact their Tutor, Lecturer or Course Coordinator to make a consultation time to receive individual feedback on their assignments.

Re-marks & Moderations

A student may only request a re-mark of an assessment item before the final result – in the course to which the assessment item contributes – has been posted. If a final result in the course has been posted, the student must apply under ‘Procedures for Appeal Against a Final Result’ (Refer - http://www.newcastle.edu.au/study/forms/).

Students concerned at the mark given for an assessment item should first discuss the matter with the Course Coordinator. If subsequently requesting a re-mark, students should be aware that as a result of a re-mark the original mark may be increased or reduced. The case for a re-mark should be outlined in writing and submitted to the Course Coordinator, who determines whether a re-mark should be granted, taking into consideration all of the following:

1. whether the student had discussed the matter with the Course Coordinator
2. the case put forward by the student for a re-mark
3. the weighting of the assessment item and its potential impact on the student’s final mark or grade
4. the time required to undertake the re-mark
5. the number of original markers, that is,
   a) whether there was a single marker, or
   b) if there was more than one marker whether there was agreement or disagreement on the marks awarded.

A re-mark may also be initiated at the request of the Course Coordinator, the Head of School, the School Assessment Committee, the Faculty Progress and Appeals Committee or the Pro Vice-Chancellor. Re-marks may be undertaken by:

1. the original marker; or
2. an alternate internal marker; or
3. an alternate external marker (usually as a consequence of a grievance procedure).

Moderation may be applied when there is a major discrepancy (or perceived discrepancy) between:

1. the content of the course as against the content or nature of the assessment item(s)
2. the content or nature of the assessment item(s) as against those set out in the Course Outline
3. the marks given by a particular examiner and those given by another in the same course
4. the results in a particular course and the results in other courses undertaken by the same students.

For further detail on this University policy refer - ‘Re-marks and Moderations - Procedure 000769’ available @ http://www.newcastle.edu.au/policylibrary/000769.html

Return of Assignments

Students can collect paper assignments from the Shortland Student Hub during office hours. Students will be informed during class as to the earliest date that assignments will be available for collection. Students must present their student identification card to collect their assignment.

Electronic assignments will be marked, with feedback provided on the electronic copy. Once marked they will be returned to each student’s Digital Drop Box.

Preferred Referencing Style

In this course, it is required that you use the use APA referencing system for referencing sources of information used in assignments. Inadequate or incorrect reference to the work of others may be viewed as plagiarism and result in reduced marks or failure.

An in-text citation names the author of the source, gives the date of publication, and for a direct quote or specific information includes a page number, in parentheses. At the end of the paper, a list of references provides publication information about the source; the list is alphabetised by authors' last names (or by titles for works without authors).

For further information on referencing and general study skills refer - ‘Infoskills’ available @ www.newcastle.edu.au/services/library/tutorials/infoskills/index.html

Students are also encouraged to make use of ‘Endnote’ software – a reference data base which allows you to select your referencing format style – and which is available at no charge via the library – see: http://www.newcastle.edu.au/service/library/endnote/index.html

Student Representatives

Student Representatives are a major channel of communication between students and the School. Contact details of Student Representatives can be found on School websites.

Refer - ‘Information for Student Representatives on Committees’ available @ http://www.newcastle.edu.au/service/committees/student_reps/index.html

Student Communication

Students should discuss any course related matters with their Tutor, Lecturer, or Course Coordinator in the first instance and then the relevant Discipline or Program Convenor. If this proves unsatisfactory, they should then contact the Head of School if required. Contact details can be found on the School website.
