Miss R. Beare (Department of Classics), for one year from December.
Mathematics/Classroom, Union

It was reported that the Vice-Chancellor, on behalf of the University, signed a contract on 26th March for the construction of this project. Construction commenced on the same day and the work was proceeding satisfactorily. The successful tenderer for the project was Arthur Davis (Constructions) Pty. Ltd.

It was also reported that the Vice-Chancellor signed a contract on behalf of the University and the University Union for the construction of Stage III of the Union on 5th April. Construction commenced immediately and work was proceeding satisfactorily. The successful tenderer was Jace Developments Pty. Limited.

ACADEMIC APPOINTMENTS

Professor Jack Louis Knetsch has begun a six-month appointment as Visiting Professor in Environmental Studies. He holds B.S.(Hons.) and M.S. degrees in Michigan State University and M.P.A. and Ph.D. degrees in Harvard University. From 1966-71 he was Professor of Economics at George Washington University.

A Fulbright scholarship was awarded to Professor Knetsch as a result of proposals initiated by the Board of Environmental Studies. The scholarship enables him to spend some months in Newcastle working in the environmental field.

Professor Knetsch is basically an economist who has had experience in environmental and land use planning, notably as head of the School of George Washington University, U.S.A. He has recently spent a year in Malaysia as adviser on environmental planning to a Project team from Harvard University.

Miss Paula Rinta Nakutis has taken up her appointment as Lecturer in Economics. She holds a B.A.(Hons.) degree and a Diploma in Education from the University of New South Wales and will shortly complete work on an M.Com. degree. From 1969 to 1973 Miss Nakutis was a Tutor and Part-time Lecturer at the University of New South Wales.

Miss Sudha Raghunath Shenoy has taken up a position as Temporary Lecturer in Economics. She holds a B.A.(Hons.) degree in Gujarat University, a B.Sc. degree in the London School of Economics and an M.A. degree in London University. Miss Shenoy's appointment before coming to this university was Research Assistant at Oxford University.

RESIGNATIONS

Mr. M.J. Lewis, formerly Tutor in History, resigned on 14th May to begin work on a Ph.D. degree at the A.N.U., Canberra.

Mr. D.A. Shortle, Lecturer in Education, has resigned from the academic staff to take up a position as Lecturer in Education at the University of Hong Kong. Mr. Shortle will leave the University on 10th August.

STAFF MEMBER'S BOOK

Mr. J.D. Stanford, Lecturer in Economics, is the author of a book, *Money, Banking and Economic Activity*, just published by John Wiley and Sons. It is Mr. Stanford's first book, although he has previously published a number of papers on monetary and financial topics.

*Money, Banking and Economic Activity* is an analytical and interpretative study of modern monetary issues. It provides the structure around which important issues in monetary economics can be examined, as well as giving a guide to (and review of) continuing controversies within this framework.

Two main themes are developed in the book. The first deals with the relationship between the monetary sector of the economy and demonstrates that economics is
concerned with a study of monetary or financial behaviour not for its own sake but because monetary factors can affect the real variables of the economy.

The second theme deals with monetary policy, developing the idea that it is possible to control monetary variables in the pursuit of the real goals of full employment and price stability.

Money, Banking and Economic Activity is suitable for undergraduate readers in Macroeconomics or Money and Banking courses. It will also be of real interest to the general reader concerned with modern monetary theory and policy.

CHILD CARE FACILITIES

Following a public meeting presided over by Professor C.D. Ellyett, Deputy Chairman of Senate, discussions are taking place in the University about the possibility of establishing child care facilities for the use of members of the University. Interested staff and students and the Students' Association are involved in these discussions and the possibility of obtaining Commonwealth support for such a facility has been discussed with the relevant Commonwealth authority.

VACATION EMPLOYMENT - AUSTRALIAN ATOMIC ENERGY COMMISSION

Notices are currently being displayed on various notice boards at the University informing students that the Australian Atomic Energy Commission is inviting applications for employment with the Commission during the 1973-74 long vacation.

Mathematicians, Chemists, Physicists, Engineers, Biologists, Ceramicists, Microbiologists - opportunities exist in all these disciplines. Applications close on 11th July. Forms on which to apply may be obtained now from the Appointments Office (Room T04 - Temporary Buildings).

LEAD SELECTED FOR PLAY

Philip Kentwell has taken the lead role in Lear, which is being presented by the Edwards Hall Resident Members' Association. He plays the part of a neurotic king obsessed with building a wall to keep out his non-existent enemies.

When asked why the R.M.A. had chosen Lear, Philip said: "Our aim in presenting the play is two-fold: firstly, to promote unity among the college residents by engaging them in an artistically taxing activity through which they will gain both self-knowledge, and understanding of others, and secondly, to shock a largely complacent public into considering and revising their attitudes towards society".

The play will be staged in the Arts/Drama Theatre on 12th, 14th and 15th July and is directed by Heather Stuart.

MEMBERSHIP JUMP

Newcastle University Union's annual report ending in May reveals an increase in membership from 3,510 to 3,806 ordinary members.

The year in question had proved to be one of intense activity in the field of preparation for the proposed extensions to the Union Building. Construction of
the major portion of Stage III was expected to commence in March and be
finalised by October of this year. The total cost of the completed project
would be in the vicinity of $475,000, which was covered by a grant of $200,000
from the A.U.C., with the Union raising the remaining $275,000 through a loan
from the Bank of New South Wales.

"The facilities of the Union were in great demand by University Clubs and
Societies in pursuit of their various social and cultural activities, with
cabarets, receptions, dinners and dances being held on practically every
Saturday evening throughout Term.

"The Union was also well patronised by external professional and cultural
bodies having close associations with the University.

"Wedding Receptions and actual ceremonies performed in the Courtyard,
particularly of student and ex-student members, became increasingly popular
during the year.

"With the Stage III extensions to the Union now in progress and bearing very
much in mind the financial burden imposed by such a project, the Board has
embarked on an advertising campaign designed to attract external organisations
to make use of the now extended Union facilities.

"Income generated from receptions, dinners, weddings, trade exhibitions,
conventions, seminars, business luncheons, etc., will, it is hoped, greatly
assist the Board in its loan repayment programme and in its efforts to maintain
prices to students at an acceptable level.

"The Union Shop continued to operate under the handicap of severe space
limitations, but in spite of this, was able to show a most welcome increase in
turnover. Subsequent trading results gave a surplus of $4,806 as compared with
$4,499 in 1971", the report stated.

The increasing cost spiral of 1971 unfortunately continued throughout the year,
causing ever-increasing monetary problems within the Catering Services in
particular. Trading result for the year produced $17,569 deficit, as compared
with $3,821 deficit for 1971.

THIRD TERM APPLICATIONS

Applications for dates on which functions can be held in the Union during
Third Term, 1973, are now called for by the House Committee. The closing date
will be Friday, 8th June. The necessary forms are available in the Union
Office. Society Officers are reminded that the weekend of 23rd-24th November
will be allocated to the Recovery Ball Cabaret.

AUSTRALIAN VOLUNTEERS ABROAD

Australian Volunteers Abroad is a national programme which enables Australians
to serve in the developing countries of Asia, Africa and the Pacific. This year
there are 144 Volunteers in the field.

Australian Volunteers have taken up posts in Asia (Bangladesh, India,
Indonesia, Malaysia, Singapore), Africa (Botswana, Kenya, Nigeria, Tanzania and
Zambia) and the Pacific (British Solomon Islands, Fiji, New Caledonia, New
Hebrides, Papua-New Guinea, Tonga and Western Samoa).

The Volunteers assist experienced workers in existing institutions and schemes
where there are not yet enough local people trained to carry out the tasks.

Applicants, men and women, must possess a trade, commercial or professional
skill, or be intending to complete a course of study by the end of 1973. Those
who wish to apply for the 1974 programme must be at least 18 years of age on
Candidates are required to complete the official application form and to lodge it with the Melbourne office of the Overseas Service Bureau. A.V.A. application forms are available from the Bureau in Sydney. It is desirable for applications to be lodged before the end of July.

For selected candidates the Bureau finds jobs, arranges and provides return travel to their posts from their home State capitals, and insures them against accident.

The Bureau also brings Volunteers to Melbourne for residential training and orientation course before their departure overseas. Volunteers receive from their host institutions sufficient financial support to cover living expenses.

Those who wish to serve overseas through Australian Volunteers Abroad in the next programme should submit their applications now to the Melbourne office of the Overseas Service Bureau.

It is proposed that a field representative of A.V.A. visit the University of Newcastle late in July to advise and assist students entering the programme in 1974. Students from all Faculties can be absorbed in the programme. The Appointments Officer can be consulted for further details.

**HIGHER INTEREST, FRESH LOANS**

In July, 1971 the University of Newcastle Staff Credit Union was inaugurated. It has gone from strength to strength, and recently signed up its 198th Member. The Credit Union's increasing popularity with members of staff and their families incited the Board of Directors at its meeting on 14th May, to:

* Offer a higher rate of interest to members who leave sums of $3,000 or more in the Credit Union for two years or more. Fixed deposits of this kind will now earn 6% interest instead of 5%.

(This move is aimed at providing funds to meet the strong demand for loans. Members who deposit substantial sums of money for set periods of time will make it easier for their fellow members to obtain loans).

* Begin accepting applications for loans on Tuesday, 12th June. The Credit Union has not considered making loans since 12th March, when the value of the applications outstanding was found to exceed substantially the amount of savings available. Loans will be paid from 12th June on a "first in first served" basis.

* Make rebates of interest on all outstanding loans. These rebates have derived from an expected surplus at 30th June.

The Credit Union signson members and transacts business in Room T 25 in the Temporary Buildings Monday to Friday from 12.30 to 1.30 p.m.

The Credit Union wishes to secure the services of a person with typing ability to undertake duties in the Credit Union Office during the hour 12.30 - 1.30 p.m. Monday - Friday. Those interested should contact Mr. R. Weir (Hon. Secretary), Ext. 303 for details of the remuneration to be paid.

**CINEMA CONCESSIONS FOR STUDENTS**

New arrangements have been made in connection with student concession admission prices at Hoyts city and suburban theatres.

The concession is now available to all full-time and part-time students aged 16-25 years inclusive, at $1 per head. This applies to all sessions, except on Saturdays and public holidays.

There will continue to be certain films, identifiable by the symbol (N.S.) in newspaper advertisements, at which the concession will not be available.
When purchasing a ticket, each student should show his current student identity card which should also be shown to the usherette when entering the auditorium.

The following Newcastle theatres are those at which concessions will generally apply:

Hoyts Civic, Hunter Street; Hoyts Royal, Hunter Street; Century, Broadmeadow.

INSTITUTE AWARDS PRIZE

The Institute of Educational Research Prize has been awarded to Mr. Terry Sheedy, a Lecturer at Newcastle Teachers' College, who is presently in London and is expected to return to Newcastle in August.

TEAM STUDYING ABORIGINALINES

A team of researchers from the Department of Biological Sciences is presently undertaking a research project at Yendumi, 200 miles north-west of Alice Springs.

The team consists of Professor B. Boettcher, Mrs. C. Watterson and Messrs. G. Hardie, D. Kay and J. Kelly, who are continuing the Department's studies into the tribal structure of, and the effect of the white man's influence on, the Wailbri Tribe.

They left the University in a vehicle, drawing a trailer, on 14th May and expect to return in a few days time.

SOCIAL CLUB ELECTION

In accordance with the constitution of the University of Newcastle Staff Social Club, nominations are called for office bearers for 1973-74 as follows: Patron, President, Vice-President, Hon. Secretary, Hon. Asst. Secretary, Hon. Treasurer, Hon. Auditor and four Committee Members.

Nominations, which must be signed by the proposer, seconder and nominee, will close with Miss Eileen Leask (Accountant's Department) at 5 p.m. on Friday, 29th June.

DISPLAY OF EDUCATIONAL MATERIALS

The second Australian International Education Exhibition and Conference will be held in the Exhibition Buildings Melbourne, 21st-27th June.

The exhibition will provide an opportunity to view and appraise, at one place and time, a comprehensive range of aids and equipment that will be displayed by 90 overseas and numerous Australian suppliers. The theme for the three-day Conference is "Production of Resources for Teaching and Learning". Noted educators from four countries will lead sessions, which will be followed by workshop discussion groups, a feature of which will be practical demonstrations in the exhibition area.

It is necessary to pre-register for the conference by returning the appropriate payment and the form that is included in a leaflet held by Mr. J.W. Armstrong, Secretary's Division.

THEFTS RECUR, PEOPLE SHOULD BE WARY

Once again, money and valuables have disappeared from a number of cases left unattended in the Library Bag Room and perhaps other areas.
These losses resulted in considerable distress to a number of students.

A general warning is issued to all staff and students against leaving valuable items in unattended places around the University.

Bob Berghout,
Returning Officer

POTTER SHOWN AT WORK

A film of the famous Japanese potter Shoji Hamada will be shown next Friday night and next Sunday afternoon at Newcastle City Art Gallery where pottery by Hamada and Iwabuchi are presently on exhibition.

The film was made during Hamada's visit to Australia in 1965 and is believed to be the only one in existence of the master's work. The showings at the gallery have been arranged by the Department of Community Programmes.
F I R S T  A R T  S H O W

The first art exhibition in the Great Hall of the University opens on Thursday, 7th June, when the Department of Community Programmes will present 39 paintings and drawings by Spaniard, Ginés Parra.

The exhibition will run for 13 days, ending on 19th June and including weekends and the Queen's Birthday (11th June). The Hall will be open to visitors from 1 to 5 and 6 to 9 p.m. on week days, and from 2 to 5 p.m. on Saturdays, Sundays and the Queen's Birthday.

Born in Spain in 1896, Parra travelled to North and South America as a youth, where he did a variety of jobs, varying from stonemason and miner to waiter and porter. He began painting in Los Angeles, and studied at the 'Art Students' League in New York before.

In 1920 he settled in Paris where his colleagues and friends were: Picasso, Gonzales, Clave, Bores and Leger, etc. As a member of the group "Spanish Painters of the School of Paris" he exhibited with them in Paris, London, Brussells, Stockholm and Prague.

During the 50's Parra travelled to South America where he produced some of his finest works. He had exhibitions in many important art centres, including one at the Museum of Modern Art in Sao Paulo (1950).

SPORTING NEWS

Indoor Games

Entries are now being accepted from members of the Union for the 1973 Indoor Games competition. The sections are as follows: Billiards, Snooker, Table Tennis, Chess and Victor Ludorum.

Trophies will be awarded in each section, with a special trophy to the Victor Ludorum (overall winner of the games). Entries closed on Friday, 25th May.

Competitions will start from Tuesday, 5th June. The timetable provides that all first round games be completed by 26th June and all second round games by 10th July. Draw for the first round matches will be posted on notice boards by 10 a.m. on 5th June. In the event of any dispute, the decision of the Competition Director (Mr. K. Colyvas) shall be final.

Fishing Excursion

Members of staff and students who are keen on fishing have been invited to take part in a deepsea fishing excursion on Sunday, 10th June.

The fishermen will leave Carrington marina in a hired trawler at noon and voyage to reefs off Stockton. After several hours' fishing the group will return to Newcastle at teatime.

The cost is $4 a fisherman and bookings can be made by ringing Mr. L. McLardy (Ext. 662).
Inter-Varsity Competitions

The Amenities Office has passed on early information about performances by teams from the University in Inter-Varsity sporting competitions.

Newcastle won the Women's Rowing competition conducted at Raymond Terrace. It was first in the IV's, Pairs and Skulls events. Eight Australian universities were represented and the Vice-Chancellor presented the trophies.

Although Newcastle's Basketball side finished in seventh place Brent Couper received the Individual Award (the highest points score - 16.67 per match) and was selected in the Combined Australian Universities II team to play Parramatta.

Newcastle was seventh in the Athletics, seventh in the Men's Hockey, fourth in the Men's Rowing and just missed a place in the Soccer semifinalists.
