

Title	Beavis and Butthead Do America
Director	Mike Judge, Yvette Kapla
Date	1996
Area	Logic/critical thinking
Theme	Pre-logical thinking
Plot Summary	Animated adventures of Beavis and Butthead as they travel across America to get money to buy a new TV set.
Key Scenes	In the opening scene, the television is missing. Butthead looks at the broken window, the footprints on the carpet, the people loading a TV onto a truck, but has enormous trouble putting them all together in order to make the inference that the TV is being stolen (though he eventually works it out).
