

Title	The Life of Brian
Director	Terry Jones
Date	1979
Area	Social and Political Philosophy
Theme	Nature/culture
Plot Summary	<p>Brian (Graham Chapman) meets the separatist group the P.F.J. [People's Front of Judea] at the forum. An argument breaks out between Reg, their leader, and Stan who feels his rights are being denied.</p> <p>Stan: I want to be known as Loretta. I have the right to have babies.</p> <p>Reg: Where is it going to gestate? In a box?</p> <p>Stan: Stop oppressing me!</p> <p>Society affects the individual, but you can't go too far and say that we are only what society makes of us. Biology plays a role.</p>
