

Title	The Mission
Director	Roland Joffe
Date	1986
Area	Social and Political Philosophy
Theme	Marxism
Plot Summary	Useful for the discussion of Marxism. There is a primitive tribe that lives according to Marxist principles – from each according to their ability, to each according to their need, no private property etc. The capitalists, in this case the Catholic missionaries, use the people as property and eventually wipe them out. The director is a Marxist.
